Re: Insured: Hexcel Corporation
Site: Operating Industries, Inc. Superfund Site
Monterrey Park, CA
Claim No.: 182- 090428

Dear Sir or Madame:

On behalf of AIG Domestic Claims, Inc. ("AIGDC"), the claims agent for Lexington Insurance Company, ICSOP, AIU and the National Union Insurance Company, we are conducting an investigation of the above-referenced matter as pertaining to Hexcel Corporation, who is a potentially responsible party with respect to environmental contamination at the Operating Industries Superfund Site in Monterrey Park, CA. This investigation is taking place subject to a reservation of rights, and no part of this letter is to be construed as an admission of coverage for this matter.

Under the provisions of the Freedom of Information Act, AIGDC requests that you provide it with this information: copies of all correspondence between Hexcel Corporation and the U.S.E.P.A. with respect to the Operating Industries Inc. Superfund Site in Monterrey Park, CA. This should include the potentially responsible party letter, request for information letter, etc.

Kindly bill us for any photocopying costs necessary to reply to this request. Thank you for your anticipated cooperation.

Kind regards,

Rosemary McCue-Moore

Re: Operating Industries, Inc. Superfund Site
Monterey Park, California

Dear Regional Freedom of Information Officer:

Please provide a copy of any and all information which associates Williams Production RMT Company ("Williams") to the above-referenced Superfund Site and the identification of Williams as a Potentially Responsible Party *De Minimis*.

Please forward the information to my attention at the address shown on this letterhead, as well as any charges incurred for responding to this request. If the documentation is minimal and you prefer to send it via e-mail, please e-mail it to me at Ann.Shiever@Williams.com. Should you have any questions please feel free to contact me at (918) 573-4213 or at my e-mail address.

Thank you for your assistance with this matter.

Sincerely,

Ann Shiever
